Profile: With over **15,000 medical and technical experts** in a wide spectrum of specialties, Pro/Consul provides insurance companies and attorneys with the Right Expert Right Away! We have been providing more for less since 1989. Pro/Consul has grown rapidly, largely due to word-of-mouth from our clients. Integrity is built into the way we do business. Our firm goal has always been to provide exemplary service and top-notch experts at reasonable rates.

Pro/Consul is listed and recommended by the A.M. Best Company. We provide highly personalized service. No request is too small or esoteric. Join the clients who know one phone call to (800) 392-1119 is all it takes to get the right expert on board at the right cost. We have the resources and experience to get the job done quickly and efficiently. We save you valuable time. **“Frankly, I was a winner from the time I began using Pro/Consul.”**

Our expertise is experts! We are not an expert warehouse or factory outlet. Our experts must meet rigorous standards: we expect them to be highly qualified in their fields, effective on the stand, professional in conduct, responsive, efficient, and honest and fair in their billing practices. Our daily and only concern is providing you the best expert possible. Our research staff is highly motivated and dedicated to performing custom searches for one-of-a-kind experts with unusual specialties, where other firms often will simply fax you a resume from their database. **We often present an expert for consideration within a few hours. We welcome your RUSH cases!**
