Steven R. Graboff, M.D. is a Board Certified Orthopedic Surgeon and a Fellow of The American Academy of Orthopedic Surgeons. He has had an active Orthopedic Surgery practice in Huntington Beach, California, since 1985, and he brings considerable expertise and experience to the forensic medical legal community. With over 20 years of litigation support experience, Dr. Graboff has qualified and testified as an orthopedic expert witness over 400 times for both the plaintiff and defense in cases throughout the United States.

Dr. Graboff received his medical degree from the University of California, Irvine in 1980. He did a general surgery internship at the University of California Irvine Medical Center and affiliated hospitals from 1980 - 1981, and he completed his Orthopedic Surgery training in 1985 from Harbor-UCLA Medical Center and affiliated hospitals, Los Angeles, California.

Dr. Graboff was first certified by the American Board of Orthopedic Surgeons in 1987. He has been re-certified by the Board in January 1998 and most recently re-certified effective January 2008. He is a diplomate of the National Board of Medical Examiners and is appointed by the State of California as a Qualified Medical Examiner.

Dr. Graboff is a Fellow of the American Academy of Orthopedic Surgeons, as well as a member of the American Medical Association, the California Medical Association, the Orange County Medical Association, and the California Orthopedic Association.

Dr. Graboff has been teaching in the Department of Physical Therapy, California State University, Long Beach, College of Health and Human Services, for over 10 years. He is a medical specialist and advisor for the City of Huntington Beach Emergency Operations Center, and he volunteers his services in community education through the Huntington Beach Fire Department.
