Allison K. Smith is a property casualty claims consultant and auditor with extensive practical experience. Ms. Smith has provided trial and deposition testimony as an expert witness for both insurers and insureds in numerous insurance and bad faith matters.

She founded **Specialty Claims Consultants** in 1999 after her tenure as General Counsel of CIGNA's Northwest Division. She began her career as a multi-line property casualty adjuster. She has worked as a team leader; a liability claims specialist, claims manager, and General Counsel evaluating a wide variety of claims involving all types of general liability and property insurance coverage. Ms. Smith and her staff at **Specialty Claims Consultants** currently provide a wide range services for numerous clients including claims adjusting, legal fee and fair claims auditing, as well as reinsurance review.

LICENSES: California Department of Insurance – Independent Adjuster License
