The Firm: Founded in 1937, BEDERSON & COMPANY LLP is a full service accounting & consulting firm with a staff of over 60 professionals with extensive experience in the Insolvency, Litigation Support and Forensic Areas.

A four-time winner of CPA DIGEST'S Digest 50 Award, BEDERSON & COMPANY LLP received national recognition for its growth, profitability, innovative practice management, community service and noteworthy contributions to the profession. The firm is listed among the top regional and local bankruptcy accounting firms in the U.S. by TURNAROUNDS & WORKOUTS and the leading forensic accounting firms in New Jersey by COMMERCE magazine.

Experience: Experience includes serving as Accountants to Creditors' Committees and Debtors, both in and out of court; Accountants to Trustees, Court Appointed Examiners; and providing Expert Witness testimony in accordance with corporate litigation. The firm has also provided consulting services to financially troubled companies, has conducted several investigations and has also performed special projects at the request of major New Jersey banks.

BEDERSON & COMPANY LLP has developed an experienced team of experts, headed by Chairman, Edward P. Bond, who has in excess of 30 years experience dealing with Debtor/Creditor financial crises.
