**Introduction:** Clinton J Ford MS, ACA, CGC, CIAQM, CIE, CMR, CRMI ... holds many titles with decades of experience in the construction/environmental industries and was a former continuing Educations Sponsor for the Florida Construction Industry Licensing Board. Mr. Ford has over three decades of construction experience on projects ranging from \$5,000 to \$50,000,000 and has spent over twenty (20) years providing construction consulting and expert witness services to the legal industry.

Mr. Ford offers attorneys consulting and litigation support assistance in Building Construction / Environmental Claims that have resulted in property damage, personal injury, and or wrongful death. Advanced Building Consultants offers pre-litigation counseling, damage and loss estimating, forensic building construction investigation and analysis, pre-trial and trial consulting services and trial testimony. Mr. Ford individually tailors preparation for each case for your clients in order to provide the greatest benefit and impact in either a defensive or offensive posture.

**We provide competitive consulting and expert witness rates for your clients!**
