Practice Areas:

- **Economic Damages in Employment Matters** We determine the economic impact, such as lost wages, bonuses, and benefits, of an individual or group dismissal, layoff, failure to promote or other employment decision.
- **Economic Damages in Personal Injury / Wrongful Death Matters** We calculate the economic damages the tort victim or the victim's family members suffered. These damages may involve wages, profits, benefits, home services, personal consumption, and the value of future care costs.
- **Commercial Damages** We calculate lost profits and other damages suffered as the result of a tort or breach of contract.
- **Intellectual Property and Patent Infringement Damages** We provide economic analysis and valuation for current and proposed intellectual property and patent infringement cases.
- **Business Valuations** We provide business valuations in the areas of commercial litigation, intellectual property matters, and family law actions.

Consulting Practice

We have consulted on cases in more than three dozen states.
