info@vfengr.com

10070 Airport Road, Conroe, Texas 77303

Also Perform Independent Third Party Testing of
Expert Theories and Opinions

AREAS OF EXPERTISE

Electrical

Electric Shock/Electrocution
Equipment Failure
Appliance Evaluation
Switchboard/Power Distribution
Vehicle Fire Analysis
Electric Utility Analysis

Mechanical / Fire Protection

Vehicular Accident Reconstruction
Fuel Gas Systems/Appliance
Analysis
Vehicle Component Analysis
Mechanical Failure/Accident
Explosions

Field / Lab Analysis

High Definition Photo/Video/X-Ray
Appliance Testing/Data Acquisition
10000 lb Vehicle Lift
Circuit Breaker Testing
Infrared Thermography
Scanning Electron Microscopy
Non-Destructive Testing

EXPERTS

Licensed and Registered in Multiple States

David A. Reiter, P.E., C.F.I.I. – Senior Electrical Engineer – Founding Partner

- 35+ years experience in the electrical field and forensic analysis
- Extensive experience in electrical fire investigation and electric shock/electrocution
- Qualified as an expert witness in numerous state and federal courts

Paul L. Carper, P.E., C.F.E.I. – Senior Mechanical Engineer – Founding Partner

- 25+ years experience in failure analysis/accident reconstruction and fire-related mechanical issues
- Qualified as an expert witness in numerous state and federal courts

Forest J. Smith, P.E. – Senior Electrical Engineer – Partner

- 20+ years experience in forensic engineering
- Experienced in electric utility equipment failure analysis, electrical injuries, and lightning
- CSST testing experience
- Multiple depositions and court room appearances

Roger B. Tate, P.E. – Senior Mechanical and Fire Protection Engineer

- 25+ years in failure analysis/forensic consulting
- Specializes in fire protection system failures and mechanical systems failures

James W. Battley, IAAI-Certified Evidence Collection Technician – Engineering Assistant

- 25+ years experience as metallurgical technician including laboratory and in-situ metallography
- Experienced operator of Scanning Electron Microscope (SEM), Energy Dispersive Spectrometer (EDS) and Optical Emission Spectrometer (OES)
- Lead technician providing laboratory services for multi-interest, independent third-party investigations

Michael J. Stahl, P.E., C.F.E.I.

- 20+ years experience in the field of electrical engineering and forensic analysis
- Extensive experience in electronic and electrical failures
- Certified Fire and Explosion Investigator
- Qualified as Expert Witness in numerous state and federal courts
