

**Anthony M. Bracco, CPA/CFF, CFE, CVA, CGMA – Partner  
Practice Leader – Litigation, Forensic and Valuation Services**

As a Certified Public Accountant and Certified Fraud Examiner, Anthony has more than 20 years of experience providing litigation support and investigative services to businesses, individuals and their attorneys. He is qualified as an expert in New York State Supreme Court and the Delaware Court of Chancery. Anthony is also qualified to serve as a Court Appointed Forensic Accountant pursuant to NYS Part 36.

Anthony conducts fraud investigations, assisting victims in civil litigation and criminal prosecution as well as asset tracing and recovery. He assists attorneys in the calculation of economic damages in fraud cases, contract disputes and shareholder litigation. In addition, Anthony has lectured to business owners, executives, attorneys and judges on fraud prevention and detection as well as forensic accounting techniques.

Anthony is an appointed integrity monitor by the Special Commissioner of Investigation for the New York City School District and as a bankruptcy examiner by the U.S. Department of Justice. Anthony has also been approved as an integrity monitor by the Waterfront Commission of New York Harbor, the Port Authority of New York and New Jersey, and the Metropolitan Transportation Authority.

**Brian Sanvidge, CIG, CFE – Principal  
Leader of Regulatory Compliance and Investigations**

Brian is a Certified Inspector General and Certified Fraud Examiner. He has more than 30 years of experience advising on fraud, forensic investigations and providing litigation support to his many public and private sector clients. He specializes in highly regulated industries including construction, transportation, infrastructure, retail, hospitality, not-for-profits, specialty health care and pharmaceuticals.

Brian is qualified by the New York State Unified Court System to serve as a Court Appointed Forensic Accountant Pursuant to NYS Part 36. He is a recognized expert who knows how to uncover defensible information with skilled forensic accounting practices, including data analysis and computer forensic techniques. He is often called upon as an expert witness in fraud and financial crime cases before state and federal courts, as well as in dispute resolution cases.

Brian has supported large-scale government monitorship cases, some valued at more than \$1 billion. While Inspector General at the New York State Department of Labor for more than a decade, he supervised investigations resulting in criminal convictions and more than \$250 million in civil restitution. He also led the investigation of \$7 million in questionable costs for a Fortune Global 50 company
