- Expertise:** Economic and statistical analysis of damages from personal injury (including evaluation of life care plans), wrongful death, employment discrimination, evaluation of pensions, and lost business profits
- Services:** Preliminary estimates of economic damages; reports for use in negotiation and trial; expert testimony; evaluation of adverse economic reports; consultation on construction of interrogatories and cross examination of adverse experts.
- Experience:** Dr. Macpherson has evaluated damages since 2000, testifying regularly in Federal and state courts (FL, GA, KS, MI, MO, TX). Most cases have been calculation of economic damages suffered due to personal injury, wrongful death, or employment discrimination but have also included business fraud, breach of contract, consumer damages, and statistical analysis of discrimination claims. Clients have included attorneys for plaintiff and defendant, and the U.S. Attorney's office (Hartford and Oklahoma City).
- Education:** B. S. Economics, Pennsylvania State University; and Ph. D., Economics, Pennsylvania State University. Continuing education through research, publications, presentations and attendance at professional meetings.
- Publications:** Over 60 papers in professional journals including the *Industrial and Labor Review*, *Journal of Forensic Economics*, *Journal of Human Resources*, *Journal of Labor Economics*, and *Review of Economics and Statistics*. Research has been funded by a variety of entities including the National Science Foundation, Florida Legislature, and the National Association of Realtors. Co-author of the undergraduate labor economics text, *Contemporary Labor Economics*, as well as the principles of economics text, *Economics: Private and Public Choice*.
- Positions:** E.M. Stevens Professor of Economics and Department Chair at Trinity University. Prior to joining Trinity University, held the Rod and Hope Brim Eminent Scholar Chair in Economics and was Director of the Pepper Institute on Aging and Public Policy at Florida State University.
- Associations:** Served as vice-president of the National Association of Forensic Economics, and served as vice president of the Southern Economic Association.
- Honors:** Included in *Who's Who in Economics, Fourth Edition*, which includes the 1,200 most frequently cited economists in the years 1990-2000 using the Social Science Citation Index.
