LOCAL EXPERTS and NATIONWIDE SERVICE

With over 15,000 technical and medical experts in a wide spectrum of specialties, ProConsul provides insurance companies and attorneys with the Right Expert Right Away! We have been providing more for less since 1989. Our firm goal has always been to provide exemplary service and top-notch experts at reasonable rates. Though we advertise extensively, much of our new business comes to us through referrals from established clients.

ProConsul provides highly personalized service. No request is too small or esoteric. Join the clients who know one call to (800) 392-1119 or an email to expert@expertinfo.com is all it takes to get the right expert on board at the right cost. We have the resources and experience to get the job done quickly and efficiently. We save you valuable time.

"Frankly, I was a winner from the time I began using ProConsul."

Our expertise is experts! We are not an expert warehouse or factory outlet. Our experts must meet rigorous standards: we expect them to be highly qualified in their fields, effective on the stand, professional in conduct, responsive, efficient, and honest and fair in their billing. Our daily and only concern is providing you the best expert possible. Our research staff is highly motivated and dedicated to performing custom searches for one-of-a-kind experts with unusual specialties. We often present an expert for consideration within a few hours. We welcome your rush cases!

We are Nationwide: No matter your geographic location, we provide local experts, to the best of our ability.
