Profile:

CHRISTINE BLASER has 42 years of professional experience in hospitals: both acute and outpatient; long term care, home health, school nurse for grades K-12 and primary patient care across my lifespan. She was a mentor /preceptor for nursing students rotating through the emergency room. For the last eight years she has traveled to third world countries providing medical care, taking part in feeding programs and providing monies for a newly built Ethiopian Pediatric Hospital. Next year she will add a trip to Zambia digging 6 water wells to 6 villages along the Zambezi River. Christine Blaser is truthful, dependable, responsible and can stay calm under stressful situations. Thank you for your consideration.
