FORENSIC HANDWRITING ANALYSIS AND DOCUMENT EXAMINATION

Dennis Ryan, BA, MBA | Senior Certified Document Examiner

Dennis Ryan is a Board Certified Forensic Document Examiner and founder of Applied Forensics. For 16 years, Dennis was the Forensic Document Examiner and Laboratory Supervisor for the Nassau County Police Department in New York. Since 1992, Dennis Ryan's private practice has assisted in numerous legal cases for a variety of disputed or questioned documents. He has provided court-qualified expert testimony in various jurisdictions throughout the country.

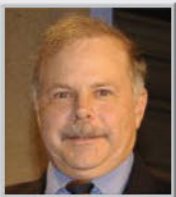

Laura Mancebo, BS | Certified Document Examiner - New York

Laura conducts casework in all aspects of questioned documents related to cases of a civil or administrative nature. Laura works for a major metropolitan forensic laboratory and has a B.S. in Forensic Science from the prestigious CUNY John Jay College in New York City.

Jeffrey A. Payne | Certified Document Examiner - Washington Office

Jeff conducts a wide range of forensic document examinations and provides expert testimony relating to handwriting, hand printing, and numerals; indented, altered, erased or obliterated writing; typewriting, rubber stamps, notary seals, check writers, printing processes and other mechanical impressions; and other aspects of forensic document examination in cases that are civil or administrative in nature. Jeff has provided court-qualified expert testimony in various State and Federal courts throughout the country and Canada.

Douglas Shaffer | Certified Forensic Chemist - Washington Office

Doug's expertise lies in the area of dating inks and paper chemistry. Doug has extensive experience in the forensic analysis and testing of document materials including papers, inks, plastics and the determination of print processes for authentication and linking of questioned documents. Doug has worked at the US Department of Homeland Security and the US Secret Service as a Forensic Chemist.

Gerhard W. Wendt | Certified Document Examiner - Florida Office

Gerhard W. Wendt is an Inspector for the American Society of Crime Laboratory Directors traveling throughout the United States conducting inspections and performing audits of facilities, personnel & practices for Forensic Laboratories. He served as a forensic document examiner with the Pennsylvania State Police in Harrisburg, PA for 18 years. Mr. Wendt is a member of the American Academy of Forensic Sciences (AAFS) as well as former Chairperson for the Question Documents Section of the Mid-Atlantic Association of Forensic Scientists.
