J. Richard Claywell provides business valuations, litigation support and forensic accounting services to attorneys in cases involving

- Economic Damages
- Fraud & Embezzlement / White Collar Crime
- Shareholder Disputes
- Business Interruption
- Divorce – Personal or Business
- Wrongful Termination

And specializes in providing rebuttal reports.

He assists business owners with business valuation related services such as estate & gift tax, buy-sell agreements, merger & acquisition disputes, and exit planning. He has valued in excess of 1,000 businesses.

Richard has written for many publications, including *Business Today* and *The Texas Law Reporter*, and has coauthored two books, *Business Valuation Strategies* and *Capitalization and Discount Rates: The Value of Risk*. He teaches extensively, both locally and internationally – American Institute of Certified Public Accountants, National Association of Certified Valuation Analysts, International Association of Consultant valuers and Analysis, University of Houston School of Law, University of Houston Clear Lake, Internal Revenue Service, and more.
