- Boats/Ships
- Law Enforcement
- Maritime
- Maritime Accidents Boats
- Maritime Policies & Procedures
- Maritime/Water Safety
- Airboat Operations

Owners:

William 'Bill' Dobson, CMI, LPI

♦ IAMI Certified Marine Investigator

♦ Wm. H. "Bill" Dobson, Dobson is a decorated veteran of the United States Air Force, retired Lt. Colonel, Commander of the Special Operations Division of the St. Tammany Sheriff's Office, with more than 35 years of public service. He is a graduate of Mandeville High School, and attended Southeastern Louisiana University and Louisiana State University majoring in Law Enforcement and Criminology. Dobson is the cofounder and President of Applied Marine Technology, Inc., a consulting company incorporated in 1986 that specializes in Marine Accident Investigations and Reconstruction, headquartered in Louisiana with affiliates in Rhode Island, Massachusetts, New Jersey, Texas, Mississippi, Alabama, Florida, Virginia, North Carolina and Oregon. Dobson is a court-accepted expert in Marine Accident Investigation and Reconstruction, Airboat Operations, Boating Safety, and Search and Rescue, in numerous Federal and State jurisdictions.

Dobson is a charter member of I.A.M.I. Also a member of American Boat and Yacht Council, and a Certified NASBLA Instructor.

Charles R. Clark, (Lt. Col. Ret.)

♦ Charles R. Clark is a veteran of the U.S. Navy, and has over 35 years of law enforcement experience having retired as Deputy Chief of Enforcement for the Louisiana Department of Wildlife and Fisheries. During his law enforcement service he served as President of the National Association of State Boating Law Administrators (NASBLA), and a Certified NASBLA Instructor.

Both Dobson and Clark are court certified experts in Boating Safety, Marine Collision Investigations and Reconstruction, Navigation, and Search and Rescue, in many state and federal jurisdictions. Both investigators have served as experts for both defense and plaintiff cases.
