

John A. Harris, Landscape Economist & Forester & Arborist
4600 Sheridan Street, Suite 403, Hollywood, FL 33021

Date: 04/23/18

John A. Harris Biography:

John has been working in the Green Industry for over 30 years across North America and the Caribbean. He continues to be an educator and mentor for many landscapers, arborists, and urban foresters. Currently, John is the Principal of LANDSCAPE ECONOMICS LLC, an expert company for work audits, personal injury cases involving trees or landscapes, and economic losses to landscapes and properties. He is also President of EARTH ADVISORS, INC., an independent Green Industry consulting, education, and project management company doing environmental, arboricultural and landscape projects. He was inducted into **Lambda Alpha International Honorary Land Economics Society** in 1997 for his dedicated work determining and defending tree and landscape values.

His qualifications as an expert include being: An ASCA Registered Consulting Arborist, SAF Certified Forester, ISA Certified Arborist, ISA Qualified Tree Risk Assessor, ISA-Florida Trained Nursery Tree Grader, LIAF Certified Landscape Inspector, FL-DEP Registered Professional Mangrove Trimmer, SFWMD Registered Xeriscape Contractor, and CTLA trained Tree and Landscape Appraiser.

He has 4 college degrees: Master of Science in Forest Economics from SUNY College of Environmental Science and Forestry, Master in Business Administration from Syracuse University, Bachelor of Science in Resources Management from SUNY College of Environmental Science and Forestry, and Associates of Applied Science in Natural Resources Conservation from SUNY Morrisville Agricultural and Technical College.

John has owned and managed landscape maintenance, landscaping and tree care companies, and worked as a consultant in Utility Forestry in the U.S. and Canada. He has additionally provided business management consulting for a number of nurseries, landscape contractors and tree care companies in south Florida.

John is an Instructor for the Florida Institute of Government, has been an Associate Professor at Miami-Dade College and Seminole County Community College, and has been a vocational teacher with the Miami-Dade County School Board. He has provided educational workshops and seminars for over 50 organizations and businesses including the Society of American Foresters, International Society of Arboriculture, Florida Urban Forestry Council, Landscape Inspectors Association of Florida, Fairchild Tropical Garden, and the Vermont Urban Forestry Council.

John has appeared on TV in Florida and New York as an expert Forester and Arborist. He has been published in newspapers, magazines and trade journals regarding Forestry, Arboriculture and urban landscape maintenance.
